METHODOLOGY

Coalition Greenwich conducted interviews with 1,747 users of foreign exchange. Interviews were conducted in North America, Latin America, Europe, Asia, and Japan between September 2021 and March 2022.

Coalition Greenwich, a division of CRISIL, an S&P Global Company, is a leading global provider of strategic benchmarking, analytics and insights to the financial services industry.

We specialize in providing unique, high-value and actionable information to help our clients improve their business performance.

Our suite of analytics and insights encompass all key performance metrics and drivers: market share, revenue performance, client relationship share and quality, operational excellence, return on equity, behavioral drivers, and industry evolution.

About CRISIL

CRISIL is a leading, agile and innovative global analytics company driven by its mission of making markets function better. It is majority owned by S&P Global Inc., a leading provider of transparent and independent ratings, benchmarks, analytics, and data to the capital and commodity markets worldwide.

CRISIL is India's foremost provider of ratings, data, research, analytics, and solutions with a strong record of growth, culture of innovation, and global footprint.

It has delivered independent opinions, actionable insights and efficient solutions to over 100,000 customers through businesses that operate from India, the U.S., the U.K., Argentina, Poland, China, Hong Kong, and Singapore.

This Report may include statements, estimates and projections with respect to the anticipated future performance of certain companies and as to the market for those companies' products and services. No representation is made as to the accuracy of such statements, assessments, estimates, and projections. Coalition Greenwich disclaims all warranties, expressed or implied, with respect to this Report, including any warranties of merchantability or fitness for a particular purpose arising out of the use of all or any of this Report. Coalition Greenwich accepts no liability whatsoever for any direct, indirect or consequential loss or damage of any kind arising out of the use of all or any of this Report.

The Report contains commercial information only. It is not investment advice and should not be construed as one and has not been prepared with a view to any party making any investment decision based on it. No part of the Report should be considered to be advice as to the merits of any investment decision or any recommendation as to any investment action or decision. It is not investment analysis or research and is not subject to regulatory or legal obligations on the production of, or content of, investment analysis or research. This Report does not constitute nor form part of an offer or invitation to subscribe for, underwrite or purchase securities in any company. Nor should this Report, or any part of it, form the basis to be relied upon in any way in connection with any contract relating to any securities.

The data reported in this document may reflect the views reported to Coalition Greenwich by the research participants. Interviewees may be asked about their use of and demand for financial products and services and about investment practices in relevant financial markets. Coalition Greenwich compiles the data received, conducts statistical analysis and reviews for presentation purposes in order to produce the final results. Unless otherwise indicated, any opinions or market observations made are strictly our own.
