METHODOLOGY

From February to November 2023, Coalition Greenwich conducted interviews with 178 of the largest institutional funds in the United Kingdom. These institutional investors are U.K. corporate funds, local authorities and other institutional funds each with over £75 million in total DB plan assets, DC plan assets or other institutional assets. Senior fund professionals provided quantitative and qualitative evaluations of the investment and client service capabilities of their investment managers and detailed information on key market trends.

Coalition Greenwich, a division of CRISIL, an S&P Global Company, is a leading global provider of strategic benchmarking, analytics and insights to the financial services industry.
